

ZIMBABWE

PRESS STATEMENT
BY
THE MINISTRY OF FINANCE AND ECONOMIC DEVELOPMENT
ON THE IMPLEMENTATION OF CUSHIONING ALLOWANCE FOR
THE MONTH JANUARY 2020

Treasury wishes to advise of the Government of Zimbabwe's decision to cushion members of the Public Service from the adverse economic challenges through awarding of an interim "Cushioning Allowance" for the month of January 2020.

This follows the Public Service Commission's approval to implement the Government decision, guided by the capacity of the economy and the 2020 Budget.

Accordingly, Treasury has concurred with Government's decision to implement a Cushioning Allowance to members of the Public Service as follows: -

Band	Approved Cushioning Allowance (ZWL\$) for January 2020
F	400
E	800
D	780
C	770
B	760
A	750

Government is fully cognisant of the critical economic role that Civil Servants play in the delivery of public services, and thus remains committed to improving the welfare of all Civil Servants in light of the current challenging macro-economic environment. Civil Servants should start receiving their allowance in full from 14 January 2020.
